To one of the sweetest and cutest boys I know. We didn't get to talk much this year. And sure wish we could have. I want to wish you all the luck in the world. Hope to see ya around

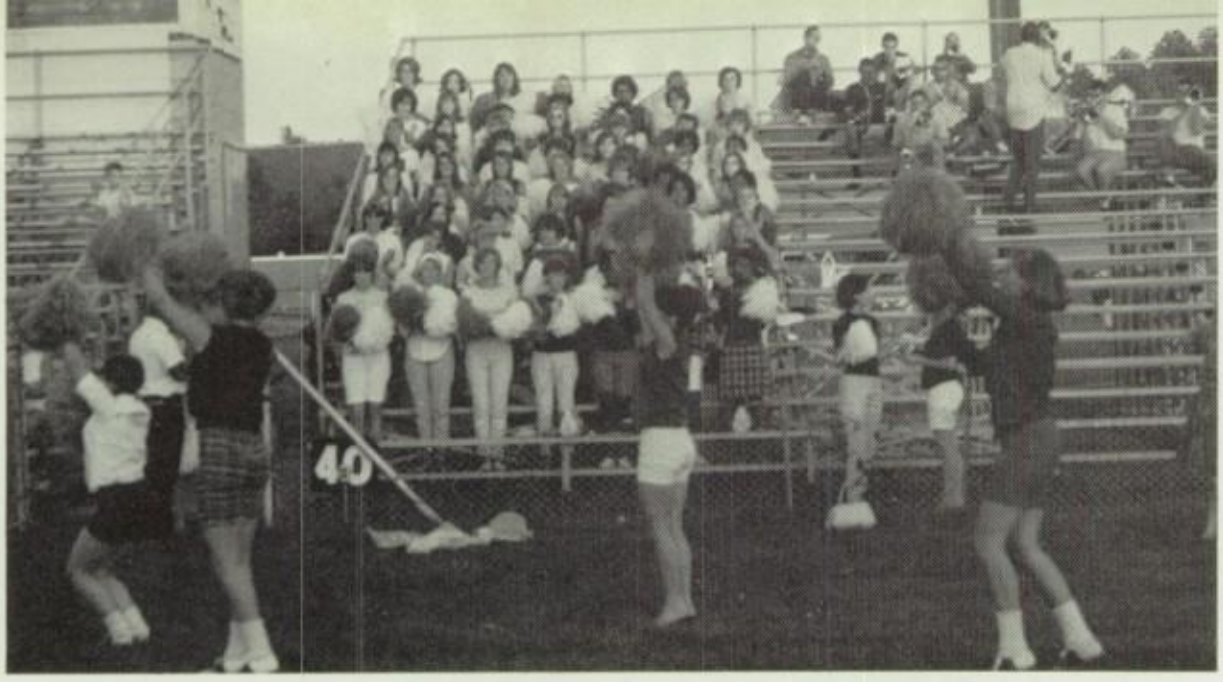
The Principal Speaks

At Garfield we can state with pride that each student is an integral part of our diversified program. The academic and extra curricular activities which are depicted in the Anim symbolize the many opportunities offered to our students.

Quality education is conceived in the light of unity among students, parents, and professional educators, as we all strive toward a common goal, a greater Garfield.



The cheerleaders, pep club, and pep band strive hard for school spirit.

Steve:
You are a wonderful friend and I'll miss you this summer. Don't do anything I wouldn't do. Love ya
Wanda Kay

And away we go!

From the Old to the New

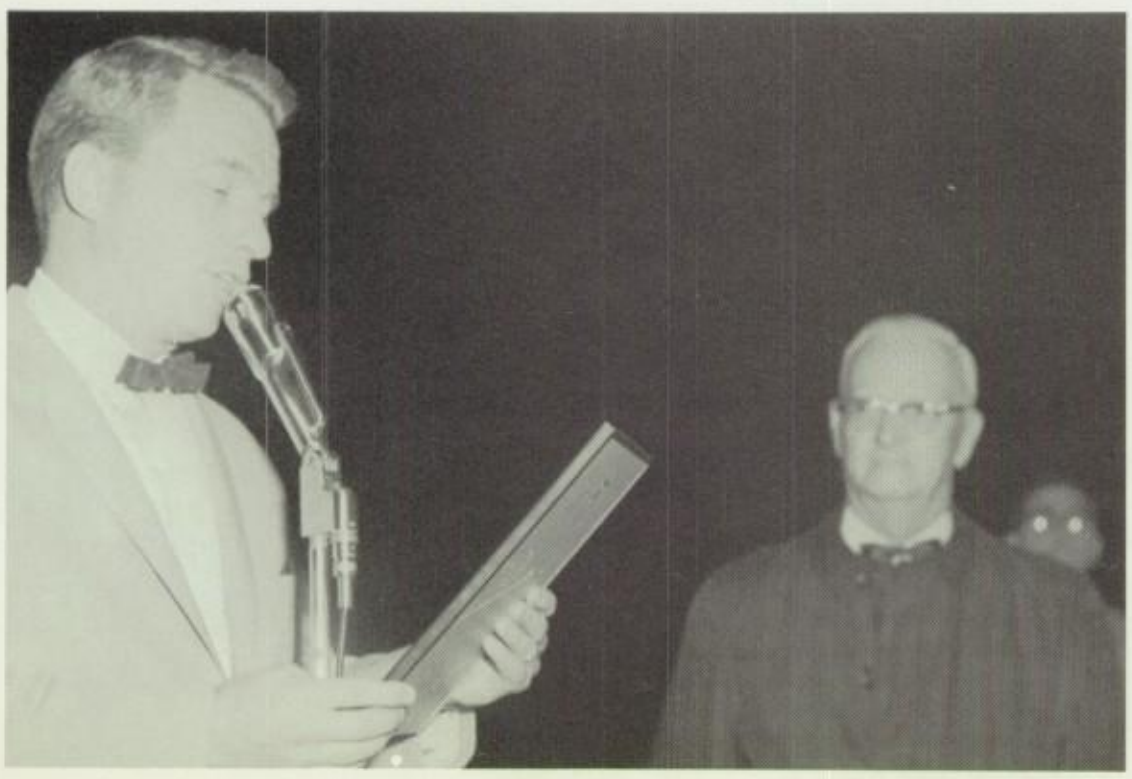
Alex Davis receiving WSAI's lineman of the week award from Dave Rhinehart.

To accentuate the positive is an easy task here at Garfield. We all know that this year marks the beginning of a new era at Garfield High School. After many years of faithful service, Mr. James K. Koger steps down from his position as principal to be replaced by Mr. Abe L. Hammons. Mr. Hammons will strive and succeed to make out school the greatest school in the area.

We of the Anim staff feel that Garfield has a student body which will greatly contribute to school spirit. We are sure that our teams will be worthy of the fine support that they will receive.

Our faculty, we believe, is one of the best in the area, and will do much in bringing Garfield acclaim because of its scholastic record.

We are sure that you will join with us to say that this will be a great year.



James K. Koger receiving an award from Mayor Kindness.

The 1966 Homecoming was a big succes in all aspects of the word. The parade started on the other side of town this year, as our opponents were to be the Taft Tigers.

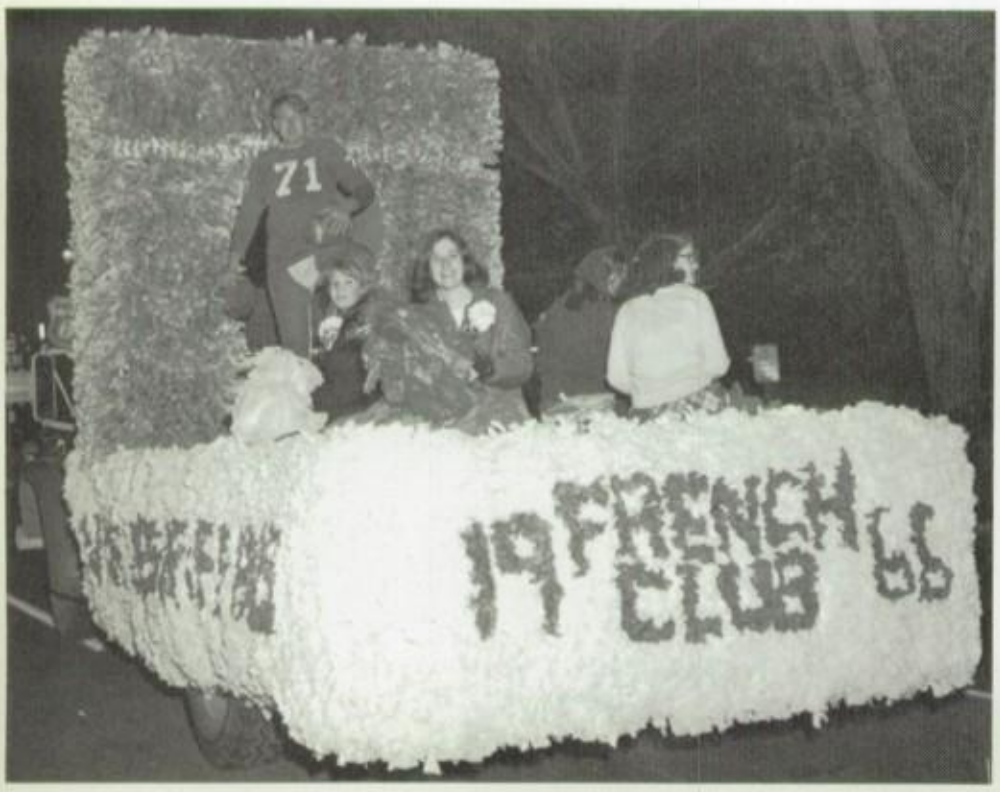
The football game was played on a field which was in good shape, despite the cold and snow. We say thanks to the Griffin student body which got out and shoveled the snow from the field. Garfield, of course, defeated Taft as expected by a 27-8 score.

Halftime marked the crowning of Miss Carole Kernohan, and although it was cold and snowy, the Griffins remained in high spirits.

Mary Lou Darovec, former Garfield Homecoming Queen, crowns Carole Kernohan queen of 1966.

The court receives a standing ovation.

"Vive les Griffins"



Go! Fight! Win!

Peek-a-Boo!

Doolittle does little!

Senior Cheerleaders

This year, the Garfield cheerleading squad contains only two senior girls. Sharing the duties of co-captain are Carole Kernohan and Charlene Whisman. Carole and Charlene have worked very hard to fill Garfield with more school spirit. We of the Anim would like to say that these girls, along with the rest of the student body, have succeeded.

1967 Griffettes and Drill Team

The Griffettes and Drill Team provide Garfield with much entertainment at Variety Shows and football games. Sandy McCoy and Carol Raab are co-captains of these groups, and it is their responsibility to hold practices and make up routines.

Alex Davis receives the MVP award.

A. Davis

Garfield finished the sixty-six football season with a perfect 9-0 record. The season was highlighted by several key wins. The Griffs defeated Lima 41-0 on a devastating aerial attack led by Renfro and Musselman. Garfield defeated South for the first time on the power running of Jim Henderson. The final score was 29-0. The homecoming game with Taft was won 27-8 on the running of Jim Teague. The Griffs completely outclassed the Tigers in the annual intra-city classic.

At the annual football banquet the following boys were honored: Gary Musselman, most efficient offensive back; Roy Carmack, most efficient offensive lineman; Jim Henderson, most efficient defensive back; Bob Privette, most efficient defensive lineman; and Alex Davis, most valuable player. Charlie Pater was chosen next year's captain.

Alex Davis, senior co-captain, was awarded the following honors this year: All G.O.L., All G.M.C., All district, All-state, and All-American.

Alex will also play for the South All-Stars this summer. The team will be coached by Mr. Florio. Congratulations and good luck to Alex from the Anim staff.

At the midway point in the season, the Griffins owned a 5-4 record. After beating Courter Tech, Mount Healthy, Fairfield, and Dayton Roosevelt, they lost the next four to Monroe, Franklin, Colerain and Middletown. Then they bounced back to defeat Lima.

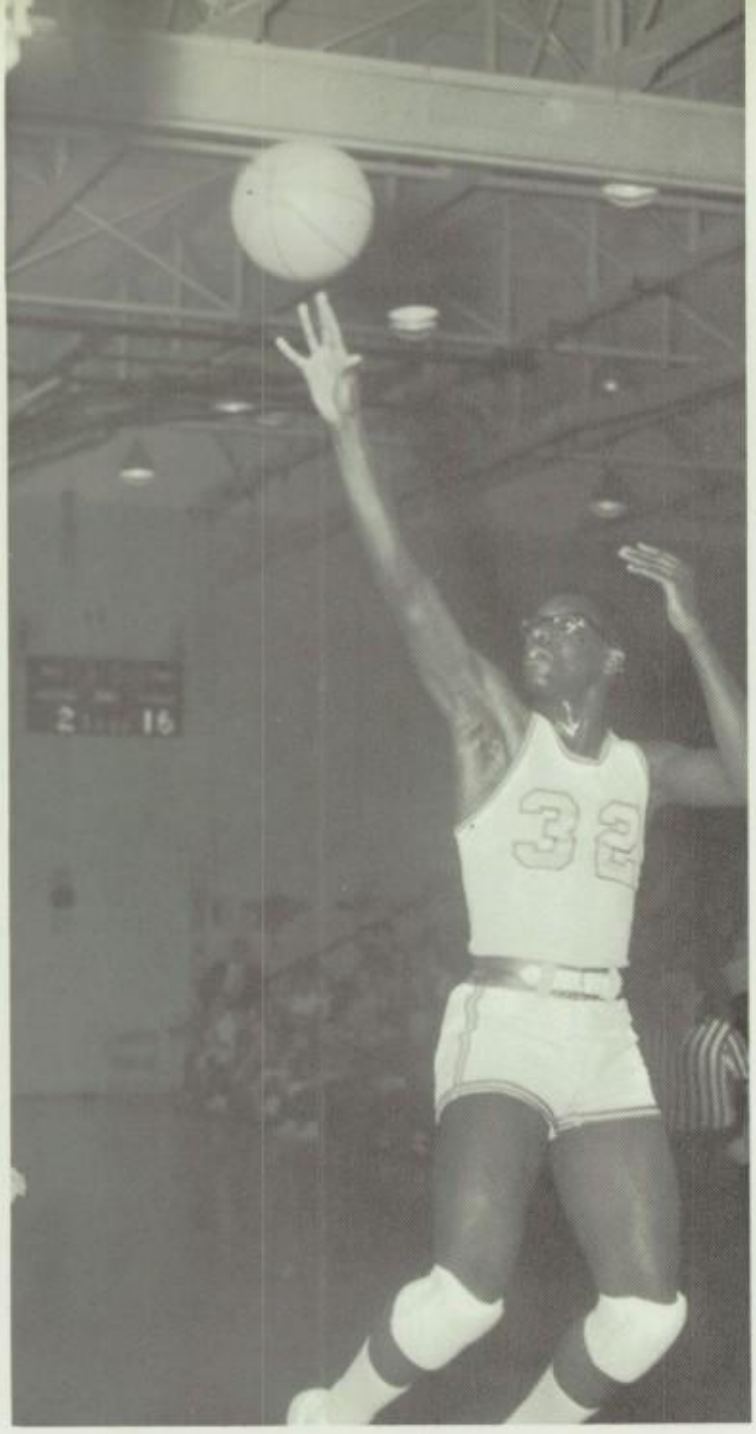
Hibbard falls for South

The second half of the season up until press time had not turned out much better than the first. The Griffs lost to Taft at home, then beat Middletown, South, and Talawanda. They then lost to Lima, Miamisburg, and Taft. The next two games are with Fairfield and South.

Hadley uses video-tape to help Griffs defeat the Middies



The tournament trail led to a dead end for Garfield, as they were defeated by Taft in the sectional finals. There were a few bright spots though. Badin, who was the number 1 seeded team, was defeated by a 23 point margin. Deer Park and Goshen also fell before the Griffins.

I think a special tribute should be paid to all the seniors who, though they did not start, came off the bench, and gave much needed help. They are Gary Musselman, Tim Taylor, Dan Messal, Bob King, and of course Chip Hamblin, the manager.

We are measured,

taped,

and fitted . . .

for that big day in June. Then one bright day, we walk out those doors for the final time. We say good bye to our high school days and leave behind . . .

empty halls, patiently waiting for different times and new faces. We pass, but Garfield goes on.
